

Selection Policy

Policy Objective:

- To formalize the selection process as stated by the TTRFU that is understood by players, coaches, media and other relevant stakeholders.

Statement of Policy:

- In order to be eligible for selection, participants must be citizens of Trinidad and Tobago.
- Players must demonstrate appropriate levels of fitness and skill as deemed necessary by the coach or administrator.
- Players may be chosen according to their specialized skills. e.g. goal kicking, accurate passing.
- Selection is dependent on the ability of the participant to integrate into the team and form a harmonized team cohesion.
- Adequate attendance and required effort at training sessions must be demonstrated.
- Participants must exhibit high levels of reliability.
- Participants must also display a good sporting spirit and general conduct.

Responsibilities of the TTRFU:

- To be fair and transparent in the entire selection process.
- Notify non selected players as to why they were not selected.
- Provide information to players to assist with long term development.
- Communicate with players and parents to outline the programme and players expectations.
